

Research found no evidence that child labor exists in Montserrat and in 2019 the government made no advancement in efforts to prevent the worst forms of child labor. The government has not determined by national law or regulation the types of hazardous work prohibited for children. In addition, the law does not prohibit the involvement of children in illicit activities.

I. PREVALENCE AND SECTORAL DISTRIBUTION OF CHILD LABOR

Research found no evidence that child labor exists in Montserrat. (1,2) Table I provides one key indicator on children’s education in Montserrat. Data on other key indicators are not available from the sources used in this report.

II. LEGAL FRAMEWORK FOR CHILD LABOR

British Overseas Territories (BOTs) recognize the jurisdiction and sovereignty of the United Kingdom (UK), but they are constitutionally not part of the UK. They are self-governing, except in the areas of foreign affairs and defense. (5) Domestic UK law does not generally apply unless explicitly extended in Montserrat. (5) Under Article 35(4) of the ILO Constitution, when the UK ratifies a Convention, the Territory must consider if it will accept the Convention. If the Convention is accepted, it is considered applicable to that territory. (5) No key international conventions concerning child labor have been accepted by Montserrat (Table 2).

Table 2. Ratification of International Conventions on Child Labor

Convention	Ratification
 ILO C. 138, Minimum Age	
 ILO C. 182, Worst Forms of Child Labor	
 UN CRC	
 UN CRC Optional Protocol on Armed Conflict	
 UN CRC Optional Protocol on the Sale of Children, Child Prostitution and Child Pornography	
 Palermo Protocol on Trafficking in Persons	

The Government of Montserrat has established laws and regulations related to child labor (Table 3). However, gaps exist in Montserrat’s legal framework to adequately protect children from the worst forms of child labor, including the prohibition of using children in illicit activities.

Children under age 18 may not be employed at night or in occupations designated as hazardous. (6) The Minister of Labor for Montserrat is responsible for deciding what constitutes hazardous work, but Montserrat has not determined by national law or regulation the types of hazardous work prohibited for children. (1,6) In addition, the law does not criminally prohibit the recruitment of children by non-state armed groups. (1,10)

III. ENFORCEMENT OF LAWS ON CHILD LABOR

As there is no evidence of a problem, there appears to be no need for enforcement actions to address child labor. However, in Montserrat, the UK government has established institutional mechanisms for the enforcement of labor laws (Table 4).

Table 4. Agencies Responsible for Child Labor Law Enforcement

Organization/Agency	Role
Department of Labor	Prohibits employment of children, pursuant to the Labor Code of 2012, under the Labor Commissioner. (11,12)
Royal Montserrat Police Service	Enforces laws involving child labor laws. (11)
Department of Social Services	Employs social workers to work on child protection issues. (11)

When a report is made involving a child victim of any form of abuse, the Department of Social Services conducts an initial social inquiry to attempt to verify the allegation and then works with police to coordinate a response. (1)

Labor Law Enforcement

A total of 23 labor inspections were conducted in Montserrat during the reporting period, although none were specific to child labor. (1) Within the Montserrat Department of Labor, the Labor Officer and Labor Inspector are government employees responsible for conducting labor inspections in accordance with the Labor Code. Labor inspectors have no authority to assess penalties for child labor violations and unannounced inspections are not permitted. (1)

IV. COORDINATION OF GOVERNMENT EFFORTS ON CHILD LABOR

As there is no evidence of a problem, there appears to be no need for mechanisms to coordinate efforts to address child labor.

V. GOVERNMENT POLICIES ON CHILD LABOR

As there is no evidence of a problem, there appears to be no need for policies to address child labor.

VI. SOCIAL PROGRAMS TO ADDRESS CHILD LABOR

As there is no evidence of a problem, there appears to be no need for programs to address child labor.

VII. SUGGESTED GOVERNMENT ACTIONS TO ELIMINATE CHILD LABOR

Based on the reporting above, suggested actions are identified that would advance the continued prevention of child labor in Montserrat (Table 5).

Table 5. Suggested Government Actions to Eliminate Child Labor
